

Did you know?

Did you know telephone service in the Gridley area dates back to the 19th century? The Great Gridley Fire in May 1901 destroyed the entire business district including the telephone company switch and building. On January 7, 1920, Gridley Telephone Co. was incorporated. In 1971, all aerial wire was replaced with buried cable and the old building was taken down, and replaced with a brand new building. Gridley Telephone Co. became the first company in Illinois to provide all its customers one-party tone dialing telephone service in July of 1972. Gridley Telephone Co. has two affiliate companies that provide additional Communication services to serve all the needs of its customers. Gridcom offers high-speed internet and long distance services, while Gridley Cable offers video services to the Gridley Telephone servicing area. In February 2018, Gridley Telephone Co. and its affiliates became part of Egyptian Communication Services, Inc. an Illinois based Communications Company. Egyptian has been meeting the needs of its customers for over 60 years and is dedicated to the communities in which it serves.
